

FARM EMERGENCY AWARENESS

6 HOURS

THIS PROGRAM PROVIDES AWARENESS EDUCATION FOR EMERGENCY SERVICE PERSONNEL TO RECOGNIZE AND RESPOND TO THE MANY HAZARDS ON FARMS. THESE EMERGENCIES INCLUDE SERIOUS INJURY, DEATH, AND PROPERTY LOSS.

THIS PROGRAM DISCUSSES THESE EMERGENCIES FROM AN ALL-HAZARDS PERSPECTIVE AND FOCUSES HEAVILY ON PRE-PLANNING AND APPROPRIATE RESOURCE IDENTIFICATION INCLUDING RESOURCES THAT SHOULD BE REQUESTED TO THE SCENE OF AN INJURY EMERGENCY INVOLVING FARM MACHINERY, CHEMICALS, STRUCTURES, OR ANIMALS.

NOTE ABOUT FARMS: For bio-security reasons, we do not train at farms with poultry and/or hog operations. The class will NOT enter any bio-secure or other buildings/areas as dictated by the farm owner.

RescueTechs, LLC works with interested sponsoring agencies to schedule courses for in-house delivery for all our programs. For more information on our courses, scheduling, pricing or general information, visit our [Course Inquiry Form](#).
